

Rules for Plant Exchange

Maximum # of items per participant

- 20 total plants, bulbs, or other plant material with no more than 5 bags of the same plant/bulb/tuber
- 10 seed packets per participant with no more than 5 packets of the same seeds.

Trading

- You will receive one ticket for each healthy plant in 4 inch to less than 1 gallon container.
- You will receive two tickets for each plant in 1 gallon or larger containers.
- One package of 3 or 5 bulbs/corms/tubers is worth 1 ticket. Two may be given if unusually large or rare.
- You will receive one ticket for each seed packet.
- Plant/bulb/tuber tickets may be exchanged for plants/bulbs/tubers.
- Seed packet tickets may be exchanged for seed packets.

Plant Guidelines

- Container size 4 inches or larger.
- Plants should be attractive, healthy plants that you would be happy to bring home yourself.
- Plants should be established in their containers (not transplanted within a week of the swap).
- Plants must be rooted in their normal growing medium. Generally, this is soil.

Bulbs/corms/tubers

- Package these in labeled bags of 3 or 5 bulbs. Put 3 per bag if large, 5 per bag if common or prolific.

Seed Packets

- Each packet should have at least 10 seeds per packet. Please do not bring lawn seeds.
- Seeds should have either been harvested or purchased in 2016 growing season, for best viability.
- Popular seeds include native wildflowers, herbs, unusual, or easy germinating seeds

Labeling

- Complete the forms for each of your plants/seeds/bulbs with as much information as possible.
- Those who bring plants/ seeds/ bulbs that are home grown or labeled by the manufacturer as **organic** will be entered in a drawing for door prizes to be awarded after Daffodil judging.

Commonly asked questions

- Can I bring water garden plants? Yes, as long as bagged so they can be handled without dripping
- What sort of plants do people really like? herbs, roses, heirloom plants. Unusual plants are popular.
- What sort of plants can't be swapped? plants that are sickly, have bugs, or are not well established.
- Can I store my plants anywhere? if you provide a container that is clearly labeled with the owner's name
- I have a question? Email bwheeler58941@gmail.com
