

## A Quilted Christmas

When: December 6<sup>th</sup> & 7<sup>th</sup> 2024 11:00am- 5:00pm

Location: Historic Bell Buckle, TN

Cost: Free

Map Pick up Location: Filling Station Pavilion on Main Street

Bell Buckle invites you to join us for our annual Quilted Christmas or also known as the Bell Buckle Quilt Walk, where you take a tour through Historic Bell Buckle viewing beautiful quilts from past to present. This year we are happy to have 6 quilting guilds who will be presenting their own works of art, alongside some treasured hand stitched quilts from local and non-local residents.

Your tour will begin as always at the Filling Station Pavilion located on Main Street next to Farm Girlz Goods. Here you grab your map and start your tour by taking a walk around town, hailing a Bell Buckle Cab (aka golf cart), or driving from stop to stop. There is only a limited amount of Bell Buckle Cabs so please be prepared to walk or drive at your leisure.

Quilting is a beautiful art form which was in times past a necessity for all, then became something that is passed down from generation to generation. This year you can anticipate seeing quilts that have been passed down since 1870, a Victorian crazy quilt, old guys rule, log cabin, Quilts of Valor patriotic, handkerchief, miniatures, wall hangings, and some of Mildred Locke's quilts.

While you're in town be sure to get the full Christmas in Bell Buckle experience by shopping at our Holiday Night Market on Friday night or taking a sleigh ride with St. Nick on Saturday. Bell Buckle can't wait to see you this holiday season. See you soon!
